

# CORNERSTONE

ENTERPRISE SUPPORT LIMITED

Are you:

- planning to start a business?
- looking to grow a young business?
- too busy to take time to plan ahead?
- too close to your business to view it objectively?
- wishing you could discuss your business ideas with an experienced business manager?

Cornerstone is a not-for-profit organisation comprised of a network of experienced business managers who have volunteered their own time by offering their help to Somerset small business owners.

A business mentor will help you to:

- take an objective view of your business.
- define and implement a medium-term business plan
- identify and mitigate immediate business risks
- consider options for growth
- prioritise and focus
- introduce key business management tools that may be needed.
